

Softwaredeveloper for Business-Applications with Passion for modern Web-Technologies

Place of work: Leibnitz
Full-time working hours
Permanent position

LOCOSO is an innovative, future-oriented company specializing in the development of highly advanced logistics applications. Our mission is to assist companies in optimizing their logistics processes, enabling them to operate successfully in the digital world through tailored solutions. Our team of highly qualified experts collaborates closely to develop innovative solutions, leveraging the latest web technologies and best practices.

What you will do:

As a developer for business applications, you will play a key role in our team. You will design, develop and implement innovative solutions to meet our customers requirements. You will work closely with our experienced team of developers, designers and project managers to create high-quality web applications that will delight our customers.

What we're looking for:

- Passion for modern web technologies and a willingness to stay up-to-date.
- In-depth knowledge of software development and experience with various programming languages and frameworks (z.B. JavaScript, Angular, TypeScript, RESTful APIs, SQL).
- Ability to understand complex requirements and develop innovative solutions.
- Team player and good communication skills to interact effectively with colleagues and clients.
- Proactiveness and the drive to continuously learn and evolve.

What we offer:

- An exiting and diverse role in a innovative company.
- The opportunity to work with state-of-the-art technologies and develop innovative solutions.
- A dynamic working environment where you can contribute your skills and ideas.
- Continuous training and development opportunities.
- A motivated team collaborating to achieve outstanding results.
- Attractive remuneration and benefits.

If you are passionate about working with modern web technologies, possess a creative mindset and are excited about engaging projects in a innovative company, we look forward to receiving your application.

Apply now and become part of our team shaping the future of logistics solutions!

How you can apply:

Submit your application, consisting of a resume and cover letter, to sabine.zelenka@locoso.at. Please let us know why you are the perfect candidate for this position and how your past experience and passion align with our mission.

LOCOSO is an employer that promotes diversity and equal opportunities. We encourage all qualified all qualified candidates to apply. The annual gross salary for this position is € 38.000,00 based on 38,5 hours per week. Your actual salary will depend on your qualifications and experience.
